# 12<sup>TH</sup> FIVE YEAR PLAN (2012-2017)

- According to this plan, *'It must be guided by a vision of India moving forward in a manner that would ensure a broad-based improvement in the living standards of all the people through a growth process which is faster than in the past, more inclusive, and also more environmentally sustainable.'* The objectives of this Plan are as follows:
- A growth rate of 9 percent
- Focus on the agricultural sector and have an average growth of 4 percent during the Plan period
- Restrain inflationary pressure
- For the growth of GDP, ensure that the commercial energy supplies grow at a rate of 6.5-7 percent per year.
- Develop a holistic water management policy
- Suggest new legislation for the acquisition of land
- Continue focus on health, education, and skill development
- Large investments in the development of the infrastructure sector
- Emphasis on the process of fiscal correction
- Efficient use of available resources
