

③ In order to create interest in the subject the teacher should encourage their pupils to read newspapers ~~regularly~~ regularly, especially dealing ~~with~~ with trade and commerce as well as Finance. There are some periodicals dealing with Trade and Finance. The teacher of Commerce should guide the students to follow them. Index number of Prices should be explained to them. Index number of production and consumption goods should be dealt with separately. Then again the reports of Reserve Bank of India should be explained to them.

A lot of Practical work needs to be done in commerce preparation of Balance sheets, Book-keeping, knowledge of different kinds of ledgers need in a bank and in commercial establishments.
