CALL FOR PAPER

The abstracts in the mentioned tracks are invited for Oral/Poster Presentation. The paper must be an original contribution that has not been published previously anywhere. The best paper in each track of Oral as well as Poster presentation will be awarded. Abstracts should be send on or before 31st March, 2021. The abstract should consist of maximum 250 words in Times New Roman and font size 12. Accepted abstracts should send full length paper on or before 31st March, 2021. Paper should be as per the Guidelines of International Journal 'Advances in Plant Science'. Email: pgbotdspmu@gmail.com & botanydspmu31120@gmail.com, Demand Draft may be sent to A/c No. 3859679016, IFSC CBIN0281311, Central Bank of India, Ranchi College Campus, Payable at Ranchi.

AWARDS AND CITATION

APSI will honour 11 Gold Medals and citation to Scientists for their outstanding contribution in plant sciences. Kindly apply for the Award before 31st December, 2020 to Dr. S. K. Gupta, Secretary, APSI, 108, Pacific Height, Near PAC, Roorkee Road, Meerut-250001, U.P. India.

CONFERENCE TRACKS :

This National Conference aims to bring together Research Scholars, Academicians and Industrialists to discuss innovative challenges in the "National Conference on Global Warming Climate Change and Pollution : Their Impact on Biodiversity & Human Welfare".

SUB THEMES OF THE CONFERENCE :

- Role of Artificial intelligence and study of Climate Change effects
- Biodiversity and Sustainability
- Global warming and SDG
- Challenges on Pharmaceutical Industry & Biodiversity.
- Ethnomedicines in Changing Global Scenario
- Pollution effect on Human Welfare
- Pharmacology & Drug Management.
- Industries & Multi-storeyed Buildings : cause of ailments.
- Motor Vehicles & Pollution.
- Pollution & Agriculture.
- Effect of Pollution & Climate Change on Biodiversity.

ACCOMMODATION :

The Students, Teachers and Delegates accommodation will be provided on sharing basis in Academic Staff Hostel/Hostel. Those willing to have private accommodation would do so on their own. The average rent of the room in hotels are as follows :

A C Single :	Rs. 2500/- with GST
AC Double :	Rs. 3000/- with GST

INVITATION :

Dr. Shyama Prasad Mukherjee University, Ranchi, Jharkhand; Academy of Plant Sciences, India (APSI) Meerut and Global Agro Biotech and Pharma Research Foundation, Ahmedabad, cordially invite you to participate in the 30th APSI Scientists Meet, 2021 and National Conference on "Global Warming, Climate Change & Pollution : Their Impact on Biodiversity and Human Welfare" scheduled to be organized from 2-4 May, 2021.

ABOUT THE CONFERENCE :

This National Conference aims to share and update information in the area of impact of global warming, climate change and pollution on the biodiversity and Human Welfare. The world today is witnessing unprecedented natural disasters which are linked to global warming, climate changes and pollution. It is imperative to share and exchange information in this regards as well as formulate ways to curb further damages and to opt and design methods to help boost mother nature by controlling global warming, climate change and pollution. The Conference will provide an open forum for the Academicians, Researchers and Professionals related to the fields of Plant Sciences, Environment and related Sciences. The Conference will also provide an opportunity to Students and Research Scholars to interact with eminent and renowned scientists and also present innovative ideas and valuable research by means of oral and poster presentations.

ABOUT THE UNIVERSITY :

Dr. Shyama Prasad Mukherjee University, Ranchi was accorded the status of a University by upgrading the former Ranchi College, Ranchi in the year 2017. Ranchi College, Ranchi was established in the year 1926 as an Intermediate College. It later became a Government College imparting graduate education since the year 1949. Post-Graduation Education started in 1955 in Ranchi College, Ranchi and was under the then Bihar University. In the year 1960, the then Bihar University was bifurcated in four Universities, Ranchi University, Bhagalpur University, Bhagalpur, Magadh University, Bodh Gaya and Bihar University, Muzaffarpur. Ranchi College, Ranchi was the premier Institution of higher education, where the Post-Graduate teaching in Botany was started in the year 1954. In fact, Ranchi College, Ranchi was the premier College of Ranchi University since its inception. It was college far excellence with eminent teachers and the high reputation in the erstwhile Bihar as well. With the creation of Jharkhand state this college was granted Autonomy by the UGC before it was accorded the status of New University. Ranchi College, Ranchi had a high reputation in the erstwhile Bihar State as well as with the creation of the Jharkhand State. Dr. Shyama Prasad Mukherjee University, Ranchi has highly-qualified, dedicated and experienced faculty members and able supporting staff. The University has well-equipped laboratories and library and other facilities like a stadium, an auditorium, a huge play ground, canteen and Medical Centre. Thirty one regular courses and Twelve Vocational Courses are being conducted by the University. Both male and female Students of the all over the country including the SC/ST/OBC and Economically weaker section categories are motivated to develop their talents by dedicated faculty members of the University.

ABOUT ACADEMY OF PLANT SCIENCES, INDIA, MEERUT :

Academy of Plant Sciences, India (an Autonomous, Non-Government Organization) was established in 1987 with the objective of promoting and popularizing Plant Sciences and Environmental Ethics among the youth and students. The Academy is a dynamic and progressive research intensive organization which is providing world class education in the fields of Plant Sciences, Forestry, Environment and Agriculture through its Journal- "Advances in Plant Sciences" and by organizing the Annual Conferences on key and burning issues, related to Plant Sciences. The Academy has established itself as a premier NGO of Plant Sciences at National and International Level.

ABOUT GLOBAL AGRO BIOTECH AND PHARMA RESEARCH FOUNDATION, AHMEDABAD

Global Agro Biotech & Pharma Research Foundation (GABTPRF), Ahmedabad is an autonomous Non-Governmental Organization, open to everyone, who has a scientific interest in the field of Agriculture, Plant Sciences and Pharmaceuticals. The Foundation organizes State, National and International Level Seminars, Symposia, Workshops, Field Visits, Skill Development Programmes, Training Programmes, Conference for exchange of ideas among young and experienced renowned scientist of the world. The main objectives of the foundation is to update Farmers, Pharmacists, and Professionals with new/updated scientific knowledge, technology & nanotechnologies coming up by Research all over the world. Every year the Foundation gives awards and prizes to the scientists and researchers

Appreciation and Awards :

Global Agro Biotech & Pharma Research Foundation (GABTPRF), Ahmedabad will honour 11 Gold Medals and Citation to the budding and eminent Scientists for their valuable contributions in the Field of Agriculture, Plant Sciences and Pharmaceuticals. Those may interested apply for the award on Email : gabtprf@gmail.com, on or before 31st January, 2021. **Contact us:** Dr. K. M. Patel, President, Mob. No.: 09825049650, Dr. Jitendra O. Bhangale, General Secretary, Mob. No. : 7405285680 Email : gabtprf@gmail.com

ABOUT RANCHI & Tourist Spots:

Ranchi the Capital of the Jharkhand State, is a beautiful city with natural beauty and preserved forests and waterfalls. Name of Water Falls and important tourist Spots : Panch Gagh falls (55 K.M.), Patratu Valley (26 K.M.), Jonha Falls (31 K.M.), Jagannath Temple (15 K.M.), Dasham Falls (35 K.M.), Pahari Mandir (3 K.M.), Kanke Dam (3 K.M.), Biodiversity Park (11 K.M.), Shani Temple (3 K.M.), Tagore Hill (7 K.M.) & Rock Garden (5 K.M.), Hundru Fall (50 K.M.), Sita Fall (60 K.M.) Shyko Fall (40 K.M.), Sai Nath Mandir (50 K.M.), Deori Mandir (70 K.M.), Surya Mandir (40 K.M.), Maa Chhinmastike Mandir, Rajarappa (55 K.M.), Birsa Jaiwik Udyan (15 K.M.), Fun Castle (10 K.M.) Climate During, April and May is usually pleasant (Temperature is Minimum 24° Maximum 32°). Humidity (40-50%). The people are friendly, gentle and co-operative. Famous for Tribal Culture, the Ranchi has all the modern amenities. It is linked with Airways. Railway and Roads to all the major cities of the States.
